

FREQUENTLY ASKED QUESTIONS GENERAL INFORMATION

- The tornado siren is activated by the Police Department whenever there is the credible and immediate threat of a tornado impacting the city.
- Take cover immediately don't go outside, don't call the station. Prepare before hand for severe weather tune into your local radio / TV or city social media sites for updates.
- Fingerprints for employment, licensing or certification purposes are done on Fridays between 2:00-4:00 pm for a fee, by Police Department Administrative Division personnel. You may want to call 870-763-0404 to make an appointment.
- Unfortunately not every police and citizen encounter will go as expected. Various issues can arise from police services which many times can be immediately resolved by requesting to speak to the on-duty supervisor. If however, the police services you received did not meet your expectations and you would like to document your concerns please visit our Public Information page, or contact us through the departments Divisions Page or e-mail the department at chiefrossthompson@blythevillepd.org.
- Police Officers have dedicated a portion of themselves to their time honored profession. If you would to compliment an officer for the job they performed you can get a citizens response form from this websites Public information page, or contact us through the departments Divisions Page or e-mail the department at chiefrossthompson@blythevillepd.org
- You may download a copy of the Blytheville Police Department Criminal Records Check form here. Incomplete forms will not be processed.
